

AVANTIC | Driven by Science,
Defined by Quality.

ABOUT AVANTIC

At **AVANTIC**, we are dedicated to advancing health through high-quality pharmaceuticals and nutritional supplements, delivering science-driven solutions that support everyday wellness and long-term care.

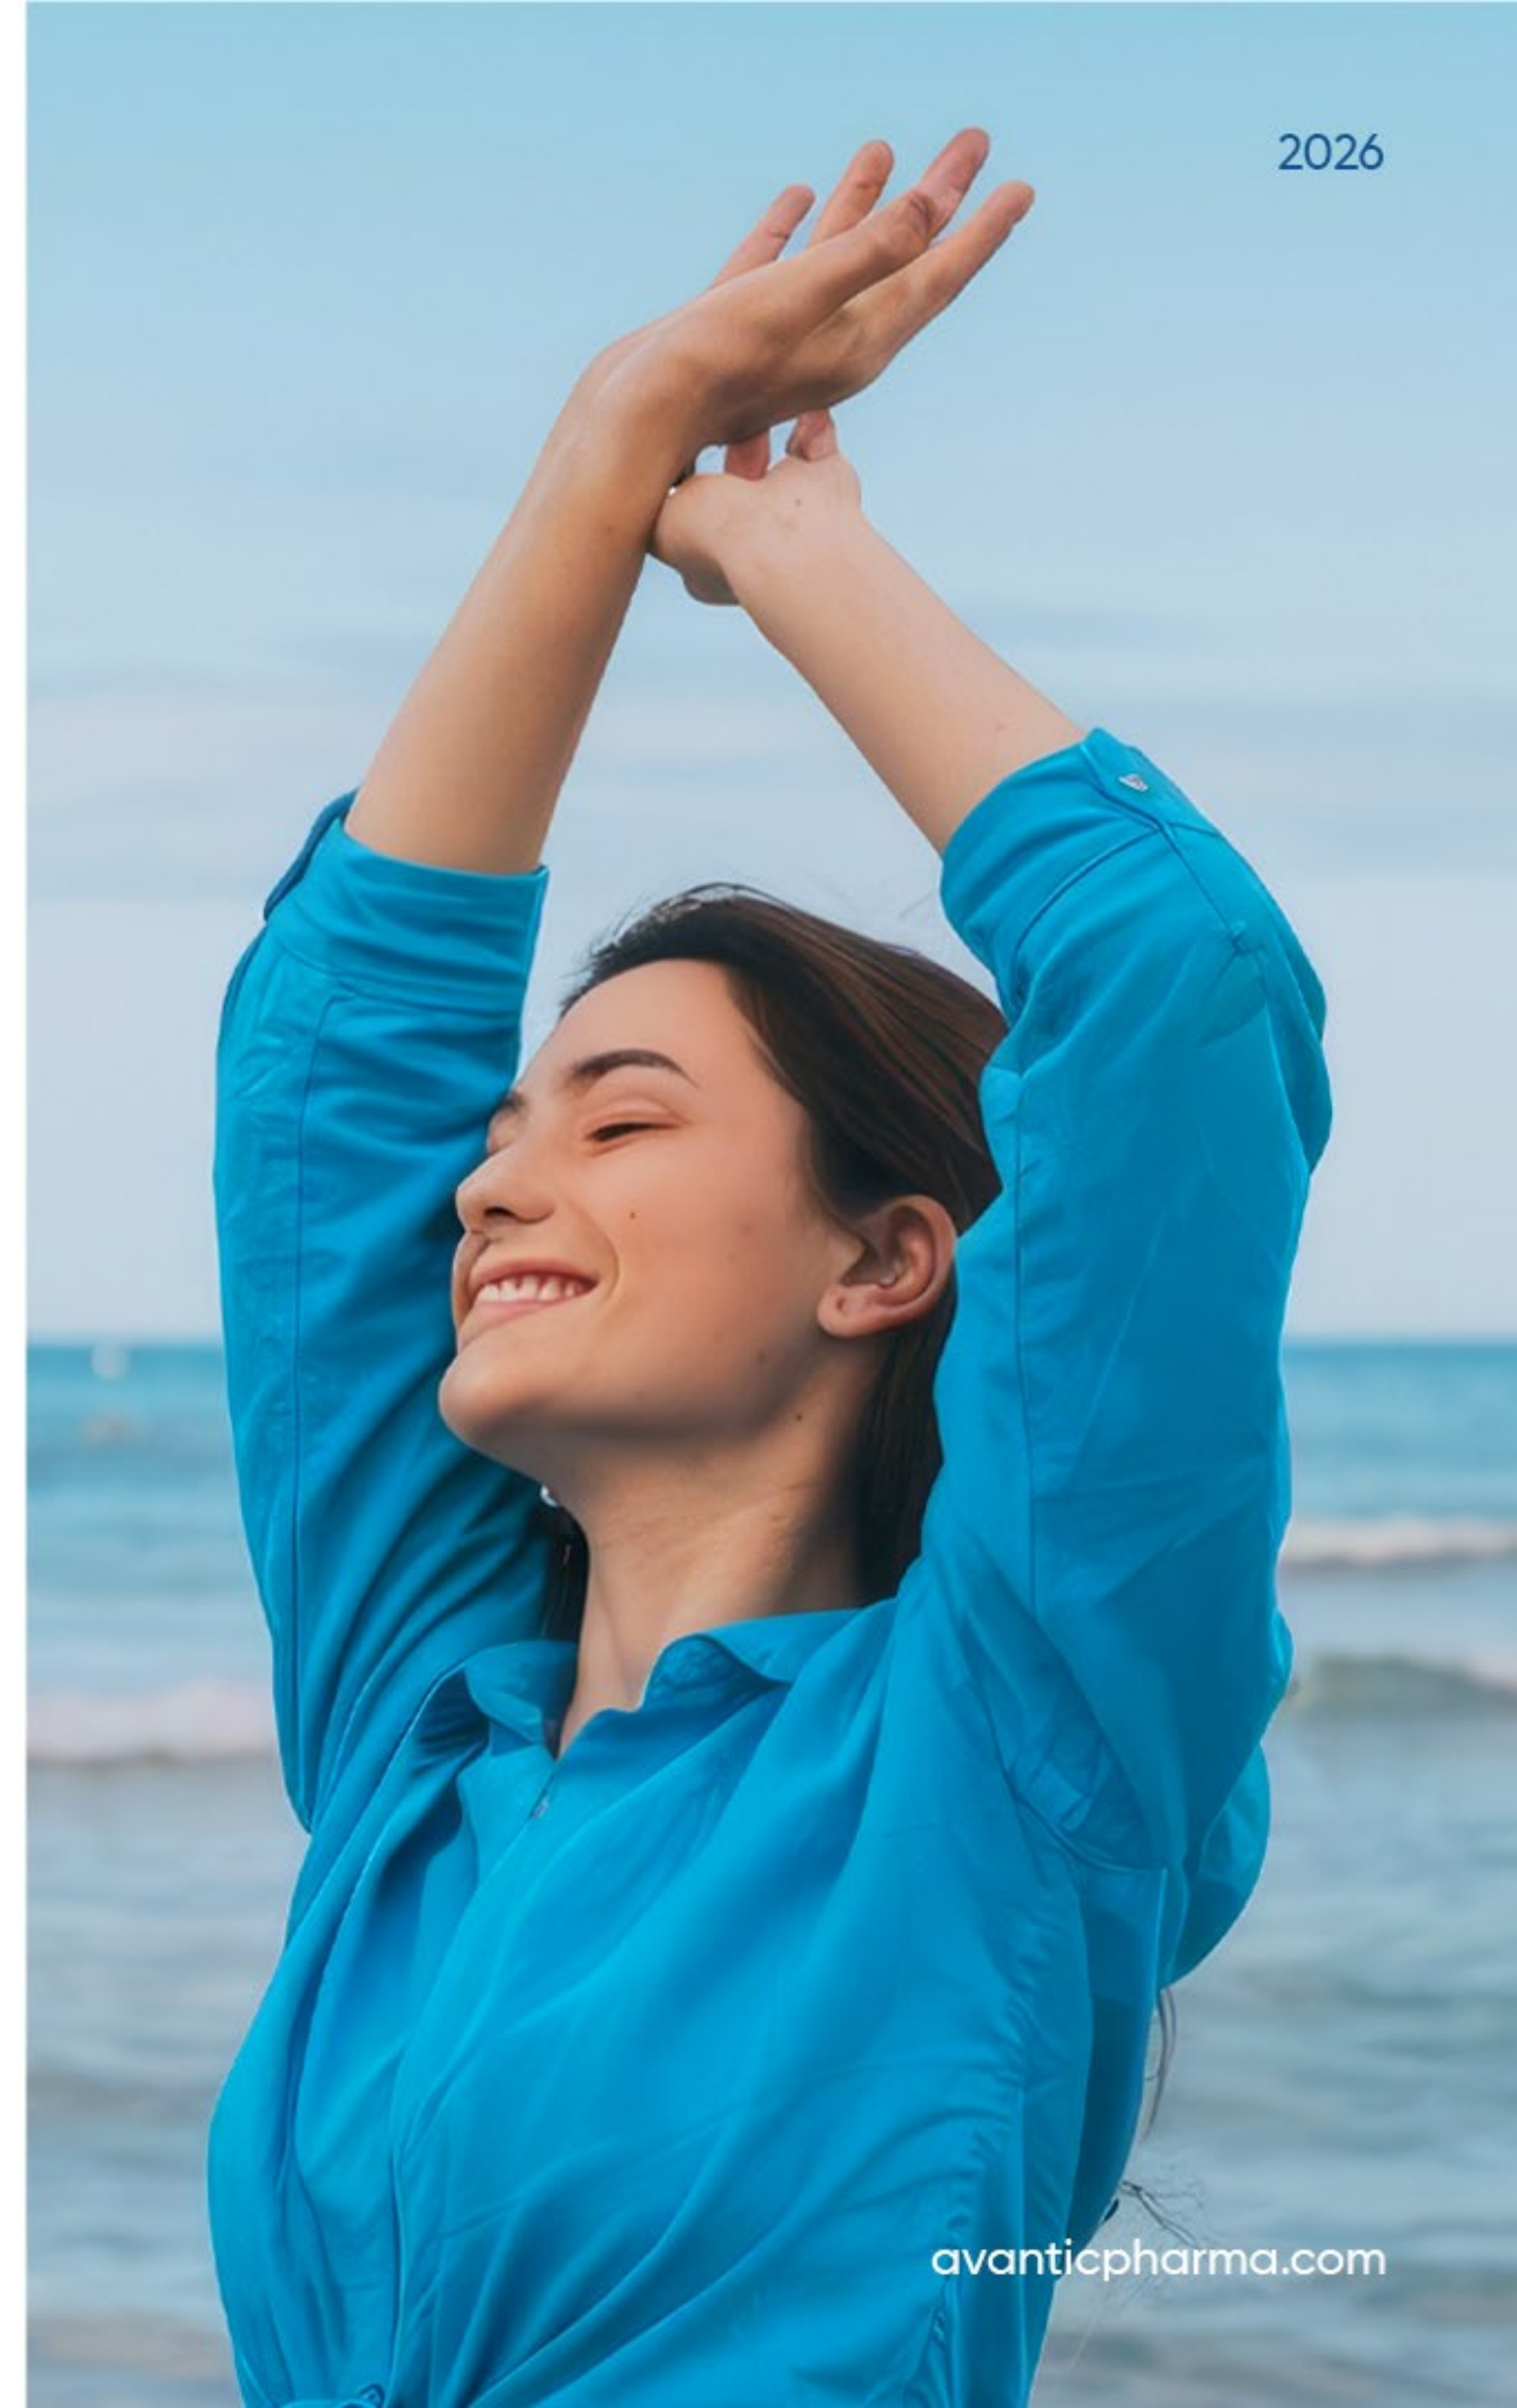

Our mission is to enhance the health and well-being of communities by providing accessible, reliable, and premium-quality products that meet the evolving needs of both patients and healthcare professionals.

Guided by our commitment to quality, affordability, and accessibility, we strive to ensure that effective healthcare solutions are within reach—without compromising on excellence.

Innovation lies at the core of **AVANTIC**. We continuously invest in scientific research and product development to bring forward advanced formulations that support better health outcomes and improved quality of life.

Driven by Science, Defined by Quality—this is more than our slogan; it is the foundation of everything we do.

Sustainability is an integral part of our vision. We are committed to creating lasting value by adopting responsible practices that support economic growth, environmental stewardship, and social well-being—recognizing that our role extends beyond healthcare to positively impact the communities we serve.

OUR VISION

To become a leading healthcare and nutraceutical company in the region, recognized for delivering innovative, science-driven solutions that enhance quality of life and set new standards in product excellence.

Driven by Science,
Defined by Quality.

OUR MISSION

To develop and deliver high-quality pharmaceuticals and nutritional supplements that are accessible, effective, and trusted by healthcare professionals and patients alike.

We are committed to advancing health through scientific innovation, maintaining the highest standards of quality, and creating sustainable value for the communities we serve.

**Driven by Science,
Defined by Quality.**

Through Our Commitment To Quality and Strong Scientific Backing We Honor Life.

OUR PORTFOLIO

Digestive Health

Supporting optimal digestion and gastrointestinal comfort through carefully formulated solutions that help reduce bloating, enhance nutrient absorption, and promote overall gut balance for everyday well-being.

MintoCarbon®

MintoCarbon® is designed to support digestive health and provide instant relief from gastrointestinal discomfort.

MintoCarbon® potent formula combines activated charcoal and peppermint oil.

➤ **Peppermint Oil** to help soothe the digestive tract, reduce inflammation, and alleviate symptoms such as bloating, gas, and indigestion.

➤ **Activated charcoal** Provides powerful antioxidant protection, reduces fatigue, and boosts immunity.

Omega Plus E®

Omega Plus E® combines high-quality omega-3 fatty acids with Vitamin E in a balanced formulation designed to support cardiovascular health, protect cells from oxidative stress, and promote overall well-being.

- ▶ Omega-3 fatty acids contribute to the maintenance of normal heart function, support brain health, and play a key role in maintaining healthy lipid balance. Complementing this, Vitamin E acts as a powerful antioxidant, helping to protect cells from free radical damage and support immune function.
- ▶ This synergistic combination enhances the stability and effectiveness of omega-3 fatty acids while delivering comprehensive support for heart health, cellular protection, and long-term vitality.

SUPPLEMENT FACTS		
Serving Size: 2 soft gelatin capsules - Serving per container: 30
